Sir:

This amendment is responsive to the Office Action dated October 6, 2006 for which a two month period for response was given making this response due on or before December 6, 2006. The Office Action indicated that, pursuant to *Ex parte Quayle*, 25 USPQ 74, 1935 C.D. 11; 453 O.G. 213 (Comm'r Pat. 1935), prosecution on the merits is now closed, and requested cancellation of non-elected claims. The present amendment addresses these informalities, thereby placing the present application in form for allowance.
